PHOTOS (RESULTS OF THE TASK)

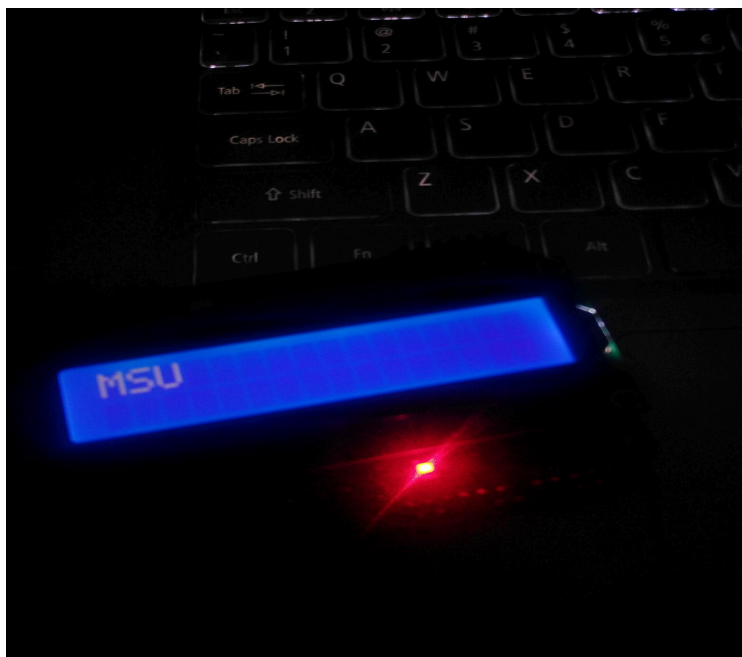

Note: Apologies, Sir. For Task 3, I was unable to take a photo of my output during Lab 2 on October 17, 2024. Instead of a photo from the actual lab, I used a simulation, as it produces the same outcome. Unfortunately, I am unable to perform the task again today as I am not feeling well due to having undergone a tooth extraction on my right first molar. A medical certificate is provided below. I kindly ask for your understanding.
